The Shows Over

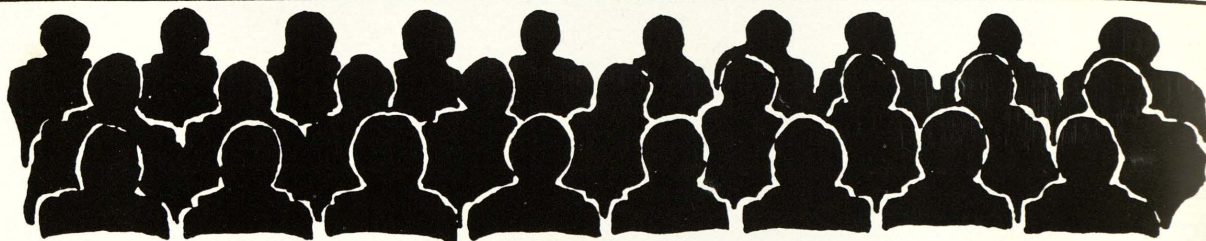

Remembering once, those days gone by
Smiling with thoughts of yore;
Running through your mind's picture window
And knocking on the door ...

All the laughs, the smiles, and the tears
Flood your memory again,
Rekindling thoughts now long forgotten
The way things once had been.

All the friends made and
Happiness shared through the years
Helps you remember forever
As the time to part grows near

Oh, now the times have started to pass,
And some memories start to fade
But the pictures are all there on the reel,
And it's your movie you've made.
